The Atelier is a mandatory stop for those who want to live Venice not just as tourists but as collectors of emotions.

(Antonia Sautter)

Antonia Sautter, expert in sartorial art and history of costume, provides her Guests with over 1500 costumes personally designed and handmade: unique creations in which history and modernity, tradition and discovery, all blend in perfect harmony.

The costume, the disguise, the mask are a way to reveal ourselves, to convey a message or a feeling, a shade of our personality, thanks to an intellectual and very subtle creative activity.

*Fabric is my passion!
Its texture, its color,
the overall sensorial aura*

(Antonia Sautter)

The Atelier Antonia Sautter, situated in the historical center of Venice, just few steps from Saint Mark's Square, is an enchanted and fascinating dimension populated by costumes, masks, headpieces, jewels, accessories, feathers, ribbons and wigs.

Whispers of lace, silk and precious fabric caress in an eclectic and ultra refined collection which defines the highest quality that Antonia Sautter Creations are known for around the world.

A vast range of creations from different historical periods: theatrical and period costumes, allegoric creations and products of fantasy, available to be rent or buy.

*In the Atelier
the dream becomes
substance*

(Antonia Sautter)

The fascinating codes of seduction have not changed: the visit to the Atelier is a moment of pure play, fantasy and imagination.

By choosing a costume to wear you will be allowed to travel towards other realities, showing a secret trait of your personality, often hidden in your daily life.

Before you know, you will become a Doge of the Serenissima, a charming Casanova, a noble Lady, a sublime fantasy creature, a mischievous Cortigiana, a Queen of history.
